*PartnershipsInAction Golf is an initiative of the Aga Khan Foundation U.S.A. (AKF USA), a non-profit international development agency that seeks to improve opportunities and livelihoods of communities in the developing world.*

For a quarter century, AKF USA has been investing in people, extending a helping hand to communities and individuals so they may live with dignity and hope. Your contribution can make a tremendous impact on saving lives, educating children and helping families to lift themselves out of poverty.

A variety of attractive sponsorship and/or participation opportunities with value-added benefits and special prizes are available.

Each player registration includes unlimited use of the driving range and practice facilities on the morning of the tournament, golf cart, terrific tee prizes, a boxed lunch, a variety of pre- tournament and on-course activities and contests followed by a gourmet banquet and awards ceremony in the St. Andrews Ballroom.

For those not interested in golf, you can still join us in helping fight global poverty by becoming a Table Captain Host of ten guests at the Gala Awards Dinner, featuring unique entertainment and a Live Auction by our celebrity auctioneer, John Curley!

*PartnershipsInAction* events have touched the lives of over **313,000 people** in the U.S., raising **\$36 million** for community-driven programs that bring hope to the developing world. **100% of donations** and **all net proceeds** from golf tournaments go directly to projects supported by the Foundation.
